At Sacred Heart Academy,

You Matter!

The school-wide theme at Sacred Heart Academy for the 2022-23 school year is ***"You Matter."***

This theme celebrates our students and staff, and the gifts and talents they share everyday. Each student and each member of our school community is important and appreciated.

At Sacred Heart Academy, building relationships is at the heart of everything we do, which begins with letting each person know that they are valued and loved. We want every person to know they are created and chosen by God; they are enough; and they are never alone.

Every day at the end of morning announcements at the high school, Alexys Zeien, our student senate president, can be heard enthusiastically reminding everyone, ***"YOU MATTER!"***

SACRED HEART ACADEMY

ESTABLISHED 1889

Jeremiah 1:5 says:

"Before I formed you in the womb I knew you, before you were born I dedicated you, a prophet to the nations I appointed you." Those words are a beautiful reminder of how much each of us matters.

*Benefitting
Catholic Education
in Our Community*

February 11, 2023

Dear Friends:

Welcome to the 29th annual *SHAgala* dinner and auction to benefit Sacred Heart Academy! We are so excited to have the opportunity to be back in person this year as well as accommodate those who can't join us through our online platform. We said last year that when we can host in person again, we would knock your socks off and we hope our "Derby Party" this evening does just that!

This evening is our chance to show our gratitude to Sacred Heart Academy. Our amazing teachers, exceptional students, and wonderful staff make our Catholic school the incredible place it is. Please bid on auction items. Play games of chance. Give to the Collection for the Teachers and help us achieve the matching opportunity.

The student motto at SHA this year is **"You Matter"**. All students and teachers at Sacred Heart Academy need to know they matter and are valued. This also applies to our supporters: those of us gathered tonight and those supporting from home. Without you helping to make events like *SHAgala* a success, our school wouldn't be what it is today. Please know how grateful we are.

Thank you in advance for your support. Bid high, bid often, and let's show the Academy how much we care.

With appreciation,

Wendy (McConnell SHA'91) Endres

February 11, 2023

Welcome supporters of Catholic School Education at Sacred Heart Academy:

We are celebrating our 29th SHAgala event to raise funds for our Academy and to help make Catholic education affordable for all students. This event is the biggest and largest event. Last year, we netted just a little over \$364,000, the most money SHAgala has ever accumulated in its history.

Our theme for this year is “Derby Party”. When I think of Derby Party, the Kentucky Derby race comes to mind. The inaugural race of the Derby was run in 1875, just a few years before our school opened in 1889. The winner of that first race was Aristides in 2:37.75, the winning jockey was Oliver Lewis, and the trainer was Ansel Williamson.

The Kentucky Derby is held each year on the first Saturday of the month of May and is also known as “The Run for The Roses”. A lush blanket of 554 red roses is awarded to the Derby Winner. This tradition originated in 1883 when E. Berry Wall presented roses to ladies at a post derby party. The Governor of Kentucky presents the garland of roses to the winning horse as well as the trophy. The song, “My Old Kentucky Home”, is always played by the University of Louisville Band during the horses parade to the Call To The Post. People come from all over the world to watch this big event.

The largest crowd was in 2017 when 158,070 people attended. Among the well-known traditions associated with the Derby are women appearing in elegant outfits wearing large flowery, elegant hats. Many patrons sip on mint juleps, an iced drink consisting of bourbon, mint, and sugar syrup. This is the official beverage of the race.

Just like the Derby is the most exciting and well-attended event of Kentucky, so our SHAgala is the most exciting and largest event of Mt. Pleasant, Michigan. Our gymnasiums are filled with all kinds of items, clothing, sportswear, packages, vacation trips, golf destinations, jewelry, and assorted other gifts. There is something for everyone, either in the silent or live auctions.

Special thanks to all our volunteers, to our school personnel, our parents, teachers, students, and all who have donated time, talent, and resources to make this a successful Derby Party.

May God bless all of you,

Fr. Loren M. Kalinowski

From the bottom of our hearts

The SHAgala Committee gives thanks to:

Donors

This event is made possible by the support of our greater community. We are incredibly blessed by the generosity of many. From the bottom of our hearts: **Thank you!**

Participants

From around town, across the state and nation and even around the world! We appreciate the involvement and support of our parents, alumni, parishioners and friends who join us for this event, hosted both on-site and virtually. The positive impact you have on Sacred Heart Academy and our teachers is appreciated more than you may ever know. Thank you for embracing **SHAgala!**

Our emcee

What would **SHAgala** be without an energetic and enjoyable emcee?

Kate Wirsing, a Sacred Heart parent, filled the role this year. Kate is passionate about the school and its teachers. She is a natural in the role and we are lucky to have her level of energy and excitement.

Auctioneers

Sheridan Auction Service is with us again, as they have been for nearly 25 years. Led by Auctioneer **Larry Sheridan**, team members Ashley Peters, Michael Sheridan, and Jason Beuher keep our auction running smoothly and successfully all evening.

Mr. Everything

Sound, video, and internet production professional **Jim Burkhart** is—and always has been—SHAgala's "everything guy". Jim makes the magic happen every year and we cannot thank him enough, as he takes on more and more, connecting our participants via internet link.

The video crew

Glen Petersen from Petersen Productions creates amazing school videos which make our event memorable each year. These images present what **SHAgala** is all about.

Photographer

Elizabeth (Szymanski '08) Berghuis and her husband Josh graciously provide photo services for SHAgala. Don't miss the opportunity to have a keepsake photo taken, courtesy of our event sponsors.

Rent-Rite

The Roslund Family, including alumnus **Nick '08**, and his brother **Ryan**, are incredible partners for Sacred Heart. Their rental carte blanche helps us transform the gymnasiums into a premier event venue, allowing us to host SHAgala at the Academy. We cannot thank the Rent-Rite team enough!

School team

Fr. Loren, Mrs. Yonker, Ms. George, Mrs. Dubridge, Mrs. Roach, Mrs. Ley, Mr. Latham, and Mr. Theisen wholeheartedly support SHAgala and work tirelessly to ensure volunteers and schedules are accommodated.

The best volunteers ever

SHAgala happens because of helping hands which come from all directions: SHA parents, former parents, alumni, parishioners, and friends of the Academy who bring the event to life each year. Thank you to those who worked tirelessly to bring SHAgala to life as a live event again, transforming the school venue into a Kentucky Derby party. We also appreciate all the work behind the scenes to keep alumni and friends connected from home. SHAgala volunteers are truly the BEST!

The Run For The Roses

12 Fun Facts About The Kentucky Derby

1. It's the Longest-Running Sporting Event in the U.S.

The Kentucky Derby has the longest history of any sporting event in the country. The first race was May 17, 1875, with 15 horses competing in front of a crowd of about 10,000.

2. The Trophy Is Made of Real Gold.

The Kentucky Derby trophy is smaller than you might think: It's 22 inches tall and only weighs 3.5 pounds, despite being made from 14-karat gold and perched on a jade base.

3. The Derby Has an Official Cocktail.

The official drink of the Kentucky Derby is the mint julep. More than 120,000 of the cocktails are served each year at the Kentucky Derby (the venue needs more than 1,000 pounds of fresh mint to meet that demand.)

4. This Will Be the 149th Year of the Derby.

2023 marks the 149th consecutive year of the horse race. While the event hasn't always been held on the first Saturday of May each year (it's been postponed a few times), there has always been a Kentucky Derby held each calendar year.

5. The Hats Weren't Always a Tradition.

The Kentucky Derby is known for fashion just as much as it's known for horse racing. For decades, women have worn big, elaborate hats to watch the race—but that wasn't always the case. Hats didn't become a popular accessory at the Derby until the mid-1960s when the event (and the spectators) began to be televised. Around that time, women began wearing fancier clothing and extravagant hats in hopes that they'd be seen on television.

6. The Race Has an Official Flower.

The official flower of the Kentucky Derby is a red rose. Each year, the winner is crowned with a garland of red roses, leading some to call the event 'The Run for the Roses.'

7. The Rose Garland Weighs More Than 40 Pounds.

The famous rose garland that is draped over the winning horse is made with more than 400 red roses, which are sewn together on green satin. The garland weighs about 40 pounds—that's a lot of flowers!

8. It's Called "The Most Exciting Two Minutes in Sports".

For all the hype surrounding it, the actual race only lasts about two minutes—which is why it's been dubbed, "the most exciting two minutes in sports." Blink, and you'd miss it!

9. Only 3-Year-Old Horses Can Compete.

Not just any horse can compete in the Derby! Only 3-year-old horses are allowed to race, which means each horse will compete only one time.

10. The Derby's First Winner Was Named Aristides.

A chestnut thoroughbred named Aristides was the winner of the very first Kentucky Derby in 1875. He finished the race in two minutes and 37 seconds, beating 14 other horses. The fastest Kentucky Derby was run by Secretariat in 1973 (1:59.40). The slowest winning time was run by Kingman in 1891 (2:52.25 for the mile and a half. Note: In 1896 the Derby was shortened to one and one-quarter mile because the mile and a half length was believed to be too long for three-year old horses to run in the Spring).

11. The Derby Has Been Postponed Just Twice.

The Derby is always held on the first Saturday in May—except for the two years it was postponed: once in 1945 due to World War II, and again in 2020 because of the COVID-19 pandemic.

12. The Derby Is Connected to Lewis & Clark.

The Kentucky Derby was started in 1946 by Lewis Clark Jr., the grandson of William Clark. Lewis Clark Jr. had seen the Epsom Derby in England and wanted to bring the tradition to the United States.

Who won the Kentucky Derby in 2022?

Rich Strike,
whose odds were 80 to 1!

How much did money did his owner win?

SHAgala is a celebration of Sacred Heart Academy teachers and students

Teachers at Sacred Heart Academy have the unique opportunity to shape the whole life of their students and help them reach their full potential in a Christ-centered environment. They instill a love of learning and a desire to make a difference in the world in each young person. With support from the Sacred Heart community, teachers work to ensure each child is healthy, safe, engaged, and challenged.

Fabiano Brothers proudly supports the teachers and students at Sacred Heart Academy and the SHAgala event which makes Catholic school affordable in central Michigan. God bless all the volunteers, donors, and participants who make the event successful each year.
